## Women's History in the Digital World Conference

**Bryn Mawr College, Bryn  
Mawr, USA**

**Friday March 22<sup>nd</sup> and  
Saturday March 23<sup>rd</sup> 2013**

The Women's History in the Digital World conference will bring together scholars working on women's history projects with a digital component, exploring the complexities of creating, managing, researching and teaching with digital resources. We will explore the exciting vistas of scholarship in women's histories and welcome contributors from across the globe.

This is a chance to share knowledge, network and promote stimulating conversations on women's history in the context of digital humanities initiatives today.
